1. RAJ BHAVAN DEPARTMENT

The Governor's Secretariat/Raj Bhavan is headed by the Principal Secretary to Governor and consists of Secretariat Section and Household Section. The Secretariat Section assists the Prl. Secy/Secretary to Governor in the disposal of office work. All files received from the State Secretariat and Legislature Secretariat pass through this section. Proposals received from the Government on Eighteen Universities, the Sainik Welfare Board, the Salar Jung Museum, the Indian Red Cross Society and other voluntary organizations with which the Governor is associated are also processed by the Secretariat Section. The Household section is headed by an Assistant Comptroller. This section is responsible for maintenance of the Main House (residential house of the Governor), the Guest House, the Officer's quarters, Raj Bhavan colony etc.

1. Head Cook : **Rs.8440-24950**
No. of posts : 1

It is represented that the post of Cook is feeder category to the post of Head Cook as per the AP Raj Bhavan Sub-ordinate Service Rules, 2000. However, in 2010 revision, this category is allowed a pay scale of Rs.8440-24950 and its feeder category of Cook is allowed a higher pay scale of Rs.9460-27700. Hence it is requested to rectify the above anomaly.

Following is the progression of pay scales of Cook, Head Cook, Butler and Head Butler of A.P. Guest House, Raj Bhavan and Protocol Department.

Category	A.P. Guest House		Raj Bhavan		Protocol Department	
	Rs.		Rs.		Rs.	
	2005	2010	2005	2010	2005	2010
Cook	4050-9050	7100-21250	4050-9050	9460-27700	4260-9520	7960-23650
Head Cook	-	-	4825-10845	8440-24950	5200-11755	10020-29200
Butler	3950-8815	6900-20680	4050-9050	7960-23650	3950-8815	7100-21250
Head Butler	4050-9050	7520-22430	4825-10845	8440-24950	--	--

The PRC 2010, had examined in detail the pay scales of the post of Head Cook, Cooks, Assistant Cook, Butler, working in various department i.e., A.P. Guest House, Raj Bhavan and Protocol Department and recommended for a uniform pay scale of Rs.10020-29200 for the category of Head Cooks in Protocol Department and Raj Bhavan who were earlier in the pay scales of Rs.5200-11755 and Rs.4825-10845 respectively. The same was not reflected in the Department Schedules of Raj Bhavan. Instead of showing a revised pay scale of Rs.10020-29200 for the Head Cook, it was indicated as Rs.8440-24950.

Hence, the Commission notices that in the report of PRC 2010, it was appropriate to indicate the pay scale of Head Cook of Raj Bhavan as Rs.10020-29200 and a mistake occurred due to oversight. The Commission rectifies the mistake and assigns to this category a pay scale of Rs.21230-63010

corresponding to Rs.10900-31550 on par with Head Cook of Protocol Department, thus improved by four stages.

According to A.P. Ministerial Service Rules, the post of Cashier is filled by promotion from the category of Senior Assistant and one must have passed Accounts Test for Sub-ordinate Officers Part-I. In PRC 2010 the pay scale of Court Master / P.S. to Judges / P.S. to Registrars had improved by one stage i.e., Rs.19050-45850. Hence request is for a higher pay scale of Rs.19050-45850. Andhra Pradesh Administrative Tribunal was originally constituted under the A.P. Administrative Tribunal Order, 1975. After the enactment of the Administrative Tribunals Act 1985 this Tribunal was reconstituted under the provisions of the said Act. The Tribunal is exercising jurisdiction hitherto exercised by the High Court under Article 226 of the Constitution of India in regard to service matters of the employees of the State Government and Local Authorities. A senior High Court judge is appointed as Chairman of the Tribunal and senior I.A.S/I.P.S Officers of the rank of Principal Secretary and above are being appointed as Vice Chairman and Administrative members and Senior District Judges are being appointed as Vice Chairman and Judicial members of the Tribunal. The Registry of the Tribunal is headed by Registrar, who is assisted by a Deputy Registrar, two Assistant Registrars and other supporting categories.

1. Computer Programmer	:	Rs.8440-24950 (F.E.)
		Rs.11860-34050(E.I.P)
No. of posts	:	3

It is represented that the post has been provided the scale of Junior Assistant. The Tribunal has undertaken total computerization and a new portal got developed through A.P. Technology Services Limited and all the transactions of the Tribunal are proposed to be made only through the portal. Consequently, three Computer Programmers have been appointed with qualification of B.Sc., (Computers) and above and under the present Rules, the qualification for the Computer Programmer has been prescribed as M.Sc., (Computers). The nature of the job is to develop programmes using different software technologies and to maintain data and also to monitor the entire computerization of the Tribunal for a total number of 150 computers, 10 to 15 Laptops, 4 UPS Systems, 5 Servers etc. The request is for a pay scale of Rs.12910-36700 for this category on par with Computer Operators in High Court, as the nature of duties of Computer Operators working in High Court and Computer Programmers in A.P.A.T are identical.

The Government rejected the proposal for assigning pay scale on par with Computer Operators of A.P. High Court. Aggrieved by the rejection of orders, the association filed O.A.No.6138/2005 in the Hon'ble A.P.A.T. for grant of same scale of pay on par with the Computer Operators in the High Court of A.P. The Hon'ble Tribunal had granted the following interim orders on 17-11-2005:-

"Pending further orders, the respondents are directed to extend the scale to the applicants on par with the scales of pay of the Computer Operators in the service of High Court of A.P."

This category was assigned pay scale of Rs.1745-3420 and Rs.3290-6550 in the 1993 and 1999 revisions. The above category represented to the PRC,2005 seeking parity with Computer Operators in the High Court. The Pay Revision Commission did not agree on the ground that there were no service

rules for this category and as per the proforma information, the post was in the pay scale of Rs.3290-6550 in 1999 revision and recommended the corresponding pay scale of Rs.4825-10845.

The PRC 2010 observed that the service rules of this post had not yet been issued. But the Interim Orders of the Tribunal dated.17-11-2005 are still in operation. Keeping in view above, the Commission recommended a pay scale corresponds to Rs.8440-24950 (Rs.4825-10845) to this category till the Service Rules are issued. However, the applicants in the OA referred to above draw higher pay scale of Rs.11860-34050(Rs.6675-15500) as personal to them. The Commission also advised the department to settle the matter of issuance of the service rules at the earliest.

The Commission notices that no service rules have been issued so far and this category is not having parity with Computer Operators of A.P. High Court, assigns a pay scale of Rs.16400-49870 corresponding to Rs.8440-24950 to this category and assigns a pay scale of Rs.23100-67990 corresponding to Rs.11860-34050 to the applicants as personal to them.

2. Care Taker	:	Rs.10020-29200
No. of posts	:	1

It is represented that the post of Care Taker is in the scale of Rs.10020-29200. The incumbent has to take care of the entire premises of the Tribunal like up-keeping of Tribunal, water and electricity, maintenance of cars, supervision of the Office Subordinates and Drivers along with other works entrusted to him, like telephone, internet and intercom facilities etc. Hence, request is to assign higher pay scale of Rs.12910-36700 on par with Assistant Section Officer in Tribunal.

According to service rules, vide G.O.Ms.No.541, General Administration (SPF.B) Department, dated.15.10.1981, the post is filled by direct recruitment or by promotion from the posts of Lower Division Clerks or Typists in the A.P. Administrative Tribunal.

This post was on the scale of Rs.1010-1800 in 1986, Rs.2075-4270 in 1993 revision, Rs.3950-8150 in 1999 revision and Rs.5750-13030 in 2005 revision and the corresponding pay scale of Rs.10020-29200 was assigned in 2010 revision.

Comparison with Assistant Section Officer is not appropriate. Considering the qualifications, duties and responsibilities the Commission recommends the pay scale of Rs.19500-58330 corresponding to Rs.10020-29200.

3. Senior Stenographer	:	Rs.10900-31550
No. of posts	:	1

It is represented that the post of Senior Stenographer was given the scale of Assistant Section Officer working in High Court of Andhra Pradesh/Senior Assistant of APAT upto 2005 revision. In 9th PRC this category was assigned a pay scale of Rs.10900-31550 on par with Senior Assistant of

Sub-ordinate Offices, whereas ASO was assigned a pay scale of Rs.12910-36700. Hence the above anomaly has arisen in 2010 revision. It is also represented that the Tribunal is Head of Department and a State wide establishment and this category is equivalent to ASO of A.P. Secretariat.

Hence request is for assigning higher pay scale of Rs.12910-36700 on par with Senior Assistant in A.P. Administrative Tribunal (on par with ASO of A.P. High Court).

Following is the progression of pay scales of this category and comparable post:

Category	1986	1993	1999	2005	2010
	(Rs.)				
Senior Stenographer in A.P.A.T	-	2375-5040	4550-9600	6675-15500	10900-31550
Senior Assistant in A.P.A.T. (on par with ASO of High Court)	1100-2050	2375-5040	4550-9600	6675-15500	12910 - 36700

According to service rules, vide G.O.Ms.No.541, GA (SPF.B) Department, dated.15.10.1981, the category of Senior Stenographer is to be filled by direct recruitment and by promotion Junior Stenographer, the qualifications prescribed are a Bachelor Degree and passing Government Technical Examination in Type Writing and Short Hand by Higher Grade in English.

Keeping in view of the duties and responsibilities of this category, the Commission assigns to it a pay scale of Rs.26600-77030 corresponding to Rs.13660-38570, thus benefitted by five stages.

4. Librarian : Rs.13660-38570
No. of posts : 1

It is represented that the Librarian has to attend the works of 10 Courts of the Hon'ble Chairman and the 9 Hon'ble Members. It is proposed to upgrade the post of Librarian to that of Section Officer working in the Tribunal and to re-designate this category as Section Officer (Library) and to allow pay scale equivalent to Section Officer working in the Tribunal.

According to the service rules, vide G.O.Ms.No.541, General Administration (SPF.B) Department, dated:15.10.1981, the post is filled by direct recruitment and by promotion from the post of Upper Division Clerk in the A.P. Administrative Tribunal or by transfer or deputation from any other service. Following is the progression of pay scales for this post and comparable post.

Category	1986	1993	1999	2005	2010
	(Rs.)				
Librarian in A.P.A.T.	1330-2630	2600-5580	5000-10600	7770-18575	13660-38570
Section Officer in A.P.A.T.	1330-2630	3110-6380	5980-12100	9285-21550	18030-43630

Comparison with the Section Officer in APAT is not accepted, as the duties and responsibilities are entirely different. Re-designation of Librarian as Section Officer (Library) does not come under the purview of the Pay Revision Commission.

Keeping in view of duties and responsibilities, the Commission assigns a pay scale of Rs.28940-78910 corresponding to Rs.14860-39540, thus improved by one stage.

5. Section Officer/Scrutiny Officer/ Court Officer : Rs.18030-43630
 No. of posts : 27

It is represented that the category of Section Officer/Scrutiny Officer/Court Officer belongs to category 4 of APAT Gazetted Service Rules. Similarly categories of Court Master/Personal Assistant belongs to category 5 of the above rules. It is stated that both the Court Master/Personal Assistant and Section Officer/Scrutiny Officer/Court Officer form feeder categories to the post of Assistant Registrar.

Further stated that the above categories were allowed equal pay scales upto 2005 revision. In 2010 revision Court Master/Personal Assistant were allowed a higher pay scale of Rs.19050-45850, whereas Section Officer/Scrutiny Officer/Court Officer allowed a lower pay scales of Rs.18030-43630. Hence, the anomaly has arisen in 2010 revision. In this connection, it is stated that the nature of duties and responsibilities of both the categories are one and the same. In view of the above, request is for allowing a higher pay scale of Rs.19050-45850 duly rectifying the anomaly on par with Court Masters.

According to service rules, this category belongs to category 4 of APAT service rules and is filled in (i) by promotion from the categories of Librarian and UDC/ Senior Assistant of the Andhra Pradesh Administrative Tribunal, (ii) by direct recruitment or (iii) by transfer of deputation from among the members of the Andhra Pradesh High Court Service or the Andhra Pradesh Judicial Ministerial Services, whose services are placed at the disposal of the Chairman, by the Chief Justice of the High Court for such appointment.

The following is the progression of pay scales of this category and comparable post:

Category	1986	1993	1999	2005	2010	Feeder category	Promotion category
	(Rs.)						
Section Officer/ Scrutiny Officer/ Court Officer of APAT	1330-2630	3110-6380	5980-12100	9285-21550	18030-43630	Senior Assistant (Rs.12910-36700) / Librarian (Rs.13360-38570)	Assistant Registrar (Rs.23650-49360)

Category	1986	1993	1999	2005	2010	Feeder category	Promotion category
	(Rs.)						
Court Masters and P.As of APAT	1330-2630	3110-6380	5980-12100	9285-21550	19050-45850	Senior Stenographer (Rs.10900-31550)/ Senior Assistant (Rs.12910-36700)	Assistant Registrar (Rs.23650-49360)

These categories are having parity with Section Officer in A.P. Secretariat and similar categories in the A.P. High Court in 1993, 1999 and 2005 revisions. The above categories are also having parity with Court Master in successive PRCs, the same was disturbed in 2010 revision.

Based on the orders of Hon'ble A.P. High Court W.P.No.2167/2008, dt.25.06.2008 and also the recommendations of the Committee of two Judges, the PRC 2010 recommended a higher pay scales of Rs.19050-45850 only to the categories Court Masters and Personal Assistant of Hon'ble High Court Judges and Secretary Registrars. The same pay scale was applied to Court Masters and Personal Assistant of Andhra Pradesh Administrative Tribunal/Andhra Pradesh Lok-Ayukta & Upa Lok-Ayukta/P.S. to Chairman/P.A. to Chairman/Court Master of Special Court for Land Grabbing Prohibition Act and P.A. to President and Court Master A.P. State Consumer Disputes Redressal Commission.

Hence, the above anomaly has arisen in the pay scales between Court Masters and P.A's of APAT (Rs.19050-45850) and Section Officer/ Scrutiny Officer/ Court Master of APAT (Rs.18030-43630).

Keeping in view of the duties and responsibilities of this category, the Commission assigns to it a pay scale of Rs.37100-91450 corresponding to Rs.19050-45850, thus improved by one stage.

It is represented that this category is 3rd level Gazetted Officer in the Co-operative Department. Most of the Officers of this cadre are working on Foreign Service, terms as Project Directors of DWMA, DRDA and Project Officers of ITDA, Rajiv Vidya Mission, MEPMA, Micro Irrigation Project and District Youth welfare Officers and they are looking after the development schemes of the Government under the close guidance and monitoring of the District Collectors. As a Project Directors/Project Officers, in the institutions having jurisdiction of entire District, this category is the independent decision making authority interacting across the different section of people. Hence, request is to equate their pay scale on par with the Special Grade Dy. Collector.

It is stated that this category is an Intermediary cadre which was assigned pay scales of Deputy Cane Commissioner, Municipal Commissioner (Special Grade), Deputy Transport Commissioner, Assistant Registrar/Judicial/Accounts/ Investigation, A.P. Lokayukata in 2005 revision. In 2010 revision, however, this category is assigned a pay scale of Rs.21820-48160, while others are assigned a higher pay scale of Rs.23650-49360.

As per service rules, the method of appointment to the post of Special Cadre Dy. Registrar in Cooperative Societies is filled by promotion from the cadre of Deputy Registrar. The PRC 2005 Commission did not accept its parity with Special Grade Deputy Collector/ DRO. The 2010 Pay Revision Commission, also did not agree its parity with S.G. D.C./ DRO and recommended a corresponding scale of Rs.21820-48160.

Seeking parity with the posts of the District Revenue Officer, Deputy Transport Commissioner and Municipal Commissioner (S.G.) is not justifiable, as the responsibilities and nature of duties of all these categories are different. However, keeping in view the duties and responsibilities of this category which are Quasi-judicial and Statutory in nature, the Commission assigns to it a pay scale of Rs.46060-98440 corresponding to Rs.23650-49360, thus improved by one stage.

Following are the progression of pay scale of this post and comparable posts.

As per service rules, this category is filled by promotion from the category of Special Grade Deputy Registrar. Comparison of this category with the Deputy Commissioner (CT) Department and Joint Director (Excise Academy) is not appropriate as the nature of duties and functions are different.

The Commission considered the existing pay scale of this category to be adequate and assigns a pay scale of Rs.52590-103290 corresponding to Rs.27000-51760 to this category.

He has to discharge of functions as delegated by the Registrar of Co-operative Societies as the said post is next, only to the Registrar of Co-operative Society. Further, these categories are posted as Members in the four (4) Co-operative Tribunals at Visakhapatnam, Vijayawada, Warangal and Hyderabad. This category is having quasi-Judicial, judicial and Administrative functions.

This category was having parity with Additional Commissioner of Sales Tax Appellate Tribunal (Departmental Member)/Additional Commissioner (CT) in 2005 revision by assigning pay scale of Rs.19675-30765. In Pay Revision Commission, 2010, this category was assigned a lower pay scale of Rs.13660-39540, whereas Superintendent was assigned higher pay scale of Rs.14860-39540. Thus an anomaly has arisen in 2010 revision. Further Senior Assistant may be promoted as Superintendent / Senior Marketing Assistant.

Regarding Statistical Assistant and Chemist, it is stated that these categories were having parity with Superintendent up to 2005 revision and the same was disturbed in 2010 revision and assigned a pay scale of Rs.13660-38570, whereas Superintendent was assigned a pay scale of Rs.14860-39540. Hence, it is requested for rectification of anomaly.

The Commission notices that the categories of Senior Marketing Assistant, Statistical Assistant, Chemist and Superintendent are having parity in successive Pay Revision Commissions up to 2005 revision and the same is disturbed in 2010 revision. In view of the above, the Commission notices that this category is having similar qualification of Diploma in Civil Engineering or Mechanical Engineering on par with Assistant Engineers/ Engineering Supervisor of A.M.C. and is having parity them upto 1999 revision and the same is disturbed in subsequent revisions. The Commission recommends a pay scale of Rs.31460-84970 corresponding to Rs.16150-42590 to this category on par with Assistant Engineers in other Engineering Departments, thus improved by three stages.

This same pay scale of Rs.31460-84970, corresponding to Rs.16150-42590 will apply to the Engineering Supervisor of A.M.C.

Hence request is for the pay scale of Rs.14860-39540 on par with the Fisheries Development Officer (Fisheries Department), Secretary Grade-II (Agricultural Market Committee) and Development Officer (Handlooms and Textiles Department).

As per service rules issued in G.O.Ms.No.4, Housing Department, dated.13-11-1990 read with G.O.Ms.No.13, Housing Department, dated.26-01-1991, this post is filled by direct recruitment and by promotion from the category of Technical Assistant/Sericulture Demonstrator. The Anomalies Committee 2008 recommended a higher pay scale of Rs.6675-15500, but the Government did not agree with the above recommendation. Comparison with the Fisheries Development Officer, Development Officer of Handlooms & Textiles, Secretary Grade-II of AMC is not appropriate, since the duties & responsibilities, jurisdiction are entirely different.

Keeping in view of technical nature of duties of this category and prescribed qualification of B.Sc., in Sericulture for direct recruitment, the Commission recommends a pay scale of Rs.22460-66330 corresponding to Rs.11530-33200, thus benefited by one stage.

As per service rules issued in G.O.Ms.No.316, F&A Department, dated.09-04-1991, this category is filled by promotion from the category of Joint Director.

We have considered the overall parities in the scale of pay in different Departments, the complexities of the job and the span of control etc., in pressing the new scale of pay. Keeping in view the duties and responsibilities attached to this post and the improvement in the scale of pay of the lower category, the Commission assigns to this category a pay scale of Rs.61450-105810 corresponding to Rs.31550-53060, thus benefitted by one stage.

Another request by Assistant Director for stepping up of pay on par with Junior is as follows:

It is stated that the incumbent i.e., Sri. N. Hanmanth Rao appointed initially as Research Assistant in the pay scale of Rs.1230-2330 (1986) through APPSC with the qualification of M.Sc., and passed requisite tests and joined duty as Research Assistant on 10.01.1990.

The scale of Rs.700-1200 was assigned both for Research Assistant and Fisheries Development Officer (Previously called as Inspector of fisheries) in 1978 revision. In PRC 1986, Research Assistant was allowed for Rs.1230-2330, whereas Fisheries Development Officer was allowed the scale of Rs.1330-2630, resulting which the anomalies were arisen between the above posts from 1986 revision. This category and Fisheries

Development Officers were considered for promotion to post of Asst. Director of Fisheries as per the combined seniority of above two categories. Out of existing 3 posts of Research Assistants, he was only working as Research Assistant leaving the two posts lying vacant since his initial appointment i.e., dt:10.01.1990. After getting promotion as Assistant Director, he is drawing the basic pay of Rs.27700/- as on 01.01.2013, whereas Fisheries Development Officers who are promoted as Assistant Director are drawing basic pay of Rs.31550/-p.m. as on 01.01.2013. Hence it is requested to rectify the above anomaly by stepping up his pay on par with his junior.

This cannot be construed as an anomaly and can be clarified and examined at the level of the Government as per the existing instructions/orders.

12. CONSUMER AFFAIRS FOODS & CIVIL SUPPLIES DEPARTMENT

12(a) CIVIL SUPPLIES DEPARTMENT

It has been stated that the Secondary Grade Teachers have been deprived of the advantage of two increments in the earlier fixations on account of their pay being fixed with the minimum of the scale instead of one stage above the minimum in the revised pay scales. Stating this, a number of Teachers Associations requested for assigning the higher pay scales.

The other requests are the following:

1. Introduction one more stage under Automatic Advancement Scheme and assigning special Grades of SPP-I and SPP-II without insisting on the required qualifications.
2. Sanction of Special pay to those handling higher classes.
3. Rectification of anomalies in fixing pay scale of Secondary Grade Teachers on account of revision in 1999, 2005 and 2010.

According to A.P. School Education Subordinate Service Rules issued in G.O.Ms.No.538, Education Department, dated.20-11-1998, appointment to this post is by direct recruitment and also by transfer from other categories in Class-III of the Education Sub-ordinate Service Rules. The minimum qualification prescribed is a pass in Intermediate and Teachers Training Certificate issued by the Commissioner for Govt. Examinations or its equivalent. This category forms feeder category to the post of School Assistant.

Following is the progression of pay scales for this post.

Category	1978	1982 Regrouped Scale	1986	1993	1999	2005	2010

The Commission notices that the PRC 2010 had improved the pay scales of this category by two stages.

The Commission is of the view that considering the entry level qualification prescribed for this category, the existing pay scale is adequate.

The Commission, therefore assigns to it the pay scale of Rs.21230-63010 corresponding to Rs.10900-31550.

2. Language Pandit Grade-II : Rs. 10900- 31550
 No. of posts :

It is represented that the Telugu pundits are getting the lower pay scale than that of the School Assistants those who are appointed with same qualifications as shown below:

Name of the School	Classes they are dealt with	Teacher working	Qualifications
Primary School	1 st to 5 th Classes	S.G. Teacher	TTC + Intermediate
Upper Primary School (along with Primary School)	1 st to 7 th Classes	S.G. Teacher/ School Assistant/Language Pandit	SG Teacher to teach 1 st to 5 th Classes and Degree + B.Ed., Teachers to teach 6 th to 8 th Classes; Language Pandits with Degree + Telugu Pandit Training for teaching Telugu subject treating them as SGTs whereas the subject teachers are appointed as School Assistants and some times as Head Masters.
High School	6 th to 10 th Classes	School Assistant/Language Pandit	School Assistants are being appointed to teach all the subjects with Degree + B.Ed, qualification. In the case of Telugu Subject, Language Pandits with Degree + Telugu Pandit Training are being appointed for teaching Telugu subject treating them as Gr-II (i.e. equal to SGTs).

Thus though they are having the equal qualifications for appointment as Telugu Pandits in Zilla Parishad high schools with Degree plus B.Ed., qualification, on par with the School Assistants, these Pandits are appointed as SGT Grade-II. They are teaching the subjects like School Assistants, but they are not getting pay on par with School Assistants. The request is to enhance the pay scale on par with School Assistant those who are working in Upper Primary Schools and to re-designate them as School Assistants.

The Language Pandit Grade-II was in a higher scale as compared to Secondary Grade Teacher upto 1978 revision. In the wake of introduction of regrouped pay scales in 1982, this category was given a pay scale on par with Secondary Grade Teacher.

Language Pandit Gr-II	530- 850	530-850 (C.S.)	1010- 1800 (C.S.)	1975- 4010 (one stage)	3750- 7650 (C.S.)	5470- 12385 (C.S.)	10900-31550 (two stages)
Secondary Grade Teacher	450- 700	530-850 (3 stages)	1010- 1800 (C.S.)	1975- 4010 (one stage)	3750- 7650 (C.S.)	5470- 12385 (C.S.)	10900-31550 (two stages)

The qualifications prescribed for both the methods are Oriental title with Pandit training in the relevant language. This category has represented to the earlier PRCs seeking parity with Senior Assistant, Librarian of Junior Colleges and Librarian (SCERT). The same has not been accepted.

In 2005 revision, this category represented for higher pay scale on par with Language Pandit Grade-I, but it was not accepted, as qualifications cannot be the sole basis for determining the pay scales. One is a feeder category to the other. The Language Pandits Grade-II had parity with SGB Teachers in successive PRCs.

The Pay Revision Commission 2010 recommended the pay scale of Rs.10900-31550 (Rs.6195-14175) for this category. This is an improvement of two stages. The request is for assigning the pay scale on par with School Assistant is not reasonable.

The Commission notices that the comparison with Lecturer in Polytechnics is not appropriate, as the duties and responsibilities are different. The existing pay scale of this category is adequate and the Commission assigns to it the pay scale of Rs.35120-87130 corresponding to Rs.18030-43630.

It is stated that the Senior Lecturers of DIETs possess double PG qualifications, with considerable teaching experience in Teacher Education as a Lecturer, teaching of the courses of post Intermediate level. They are the Head of the Departments, and as per the MHRD guidelines, the cadre of Senior Lecturer is equated to that of the Principal of Junior College, where as they are allotted a pay scale is Rs.20680-46960 on par with Lecturer of Degree College. It is stated that a parallel can be drawn in the Directorate of Intermediate Education and the next promotion to the post of Junior Lecturer is Principals of Junior College. In the scale of Rs.21820-48160. Hence the Senior Lecturer working in DIET, having more scale than the Junior Lecturer is going to next higher post i.e., Principal of DIETs, by this logic at least the Senior Lecturer of DIET should get the scale equivalent to the Principal of Junior College (Rs.21820-48160).

Progression of the pay scale of this category and comparable posts are as follows:

Category	1986	1993	1999	2005	2010	Feeder category	Promotion category

It is represented that this category is a field level supervisory post having jurisdiction of 3-4 mandals. He has to conduct Survey and identification of illiterates and bring awareness among the people. In recent times, they have to supervise more than 30 centres in each Mandal, have to travel 20-25 days in every month and sometimes stay in villages. The following is progression of pay scales of this category and comparable posts:

The Commission notices that a critical review of service rules for this department is very much required. This was already observed by 2005 & 2010 Pay Revision Commissions.

Comparison of this category with Extension Officer Grade-I in Panchayat Raj Department and Women Development and Child Welfare Department is not valid, as the duties and responsibilities are entirely different. Keeping in view the jurisdiction and number of institutions covered by this category, the Commission recommends a pay scale of Rs.22460-66330, corresponding to Rs.11530-33200 (i.e., improved by one stage).

13 (c) GOVERNMENT EXAMINATIONS

The Directorate of Government Examinations as an independent body conducts SSC/OSSC examinations twice in a year and vocational SSC examinations once in a year. These are the major examinations with a registration of more than 15 lakhs candidates for Annual Examinations and 4 lakhs candidates for Advanced Supplementary Examinations. In addition to major SSC examinations, other Minor Examinations conducted by them are D.Ed., Public Examinations, Primary Teacher Training Certificate Examination, Certificate in Library Sciences and Head Masters Accounts Tests etc. The following are the other services i.e., issue of Duplicate Certificates, issue of Compartmental Pass Certificate, issue of Memos, Age and Migration Certificate, Corrections in certificates etc.

1. Junior Assistant	:	Rs.8440-24950
No. of posts	:	84
2. Senior Assistant	:	Rs.10900-31550
No. of posts	:	87
3. Superintendent	:	Rs.14860-39540
No., of posts	:	48

It is represented that mode of recruitment of staff in APPSC Hyderabad and office of the Director of Government Examinations, AP Hyderabad is same i.e., through Group-II Examination and initial appointment is Junior Assistant only. The next promotion in the APPSC is Assistant Section Officer, whereas it is Senior Assistant in Govt. Examinations. Even though educational qualifications, mode of recruitment, initial basic qualification and also the nature of work i.e., conduct of various examinations are one and the same, there is a disparity in the promotion channel and pay and allowances. The basic pay scale of the Junior Assistant of both the Department is same i.e., Rs.8440-24950, but there is a vast difference in the next promotion channel i.e., APPSC of ASO, is having pay scale of Rs.12910-36700 and Senior Assistant of Government Examination is having pay scale of Rs.10900-31550. It is represented that there is no specific criteria to hike the pay of the Teachers compared to AP Ministerial Staff Service, in the 9th PRC, AP Ministerial staff has been neglected in the fixation of pay as there is no specific study in the fixation of pay and recommendations. Hence, it is requested to hike the pay reasonably so as to save them from the social insult and humiliation.

The comparison between Govt. Examinations and APPSC which is as follows:

Name of the Office	Entry level	Promotion Post -I	Next Promotion Post-2	Next Promotion Post-3	Remarks
Director of Govt. Examinations	Junior Assistant (Rs.8440-24950)	Senior Assistant (Rs.10900-31550)	Superintendent (Rs.14860-39540)	Asst. Commissioner of Govt. Exams (Rs.18030-43630)	Directorate

Name of the Office	Entry level	Promotion Post -I	Next Promotion Post-2	Next Promotion Post-3	Remarks
AP Public Service Commission	Junior Assistant (Rs.8440-24950)	Asst. Section Officer (Rs.12910-36700)	Section Officer (Rs.18030-43630)	Asst. Secretary (Rs.23650-49360)	Autonomous body

Hence, request is for assigning higher pay scales of Rs.12910-36700 and Rs.18030-43630 for the categories of Senior Assistant & Superintendent on par with Assistant Section Officer/Section Officer of APPSC.

The APPSC is an autonomous body and the Government Examinations Department is one of the Directorates of Government. Hence the comparison between one autonomous body and one of the Govt. Directorate is not appropriate. Hence there may not be proper justification in the request of the employees of the Government Examinations Department. Further, categories of Junior Assistant, Senior Assistant and Superintendent belongs to Common Category and pay scales under Common Category will be applicable to their cadre.

- 4. Assistant Commissioner : Rs.18030-43630**
No. of posts : 42
- 5. Deputy Commissioner : Rs.21820-48160**
No. of posts : 5
- 6. Director of Government Examinations : Rs.41550 -55660**
No. of posts : 1

The Commissioner of Government Examinations has requested for higher pay scale of Rs.23650-49360 for the categories of Assistant Commissioner on par with Assistant Secretary, APPSC. Regarding Deputy Commissioner, the request is for pay scale of Rs.29200-53060 on par with Deputy Secretary, APPSC.

The category of Assistant Commissioner is filled by promotion of Superintendent of this department, one must possess a Degree. Similarly, Deputy Commissioner is filled by promotion of Assistant Commissioner. The following is progression of pay scales of Assistant Commissioner and Deputy Commissioner of this category and comparable posts.

Sl.No.	Name of the category	1993	1999	2005	2010
		(Rs.)			
1.	Assistant Commissioner	3640-7580	6950-14425	10285-24200	18030-43630
2.	Assistant Secretary APPSC	4400-8700	8400-16525	12385-27750	23650-49360
3.	Deputy Commissioner	4400-8700	8400-16525	12385-27750	21820-48160
4.	Deputy Secretary APPSC	5770-9260	10950-17575	16925-30765	29200-53060

Comparison with Assistant Secretary and Deputy Secretary, APPSC is not appropriate, as APPSC is an Autonomous Body.

The Commission notices that the duties and responsibilities have increased abnormally for the above categories, as they have to supervise the work at District level in the Offices of DEO with inadequate staff.

The Commission, therefore recommends to enhance the pay scales of Assistant Commissioner and Deputy Commissioner to Rs.37100-91450, corresponding to Rs.19050-45850 and Rs.46060-98440, corresponding to Rs.23650-49360 respectively.

Comparison with School Assistant is not appropriate, as the duties of School Assistant are Administrative/Academic. However, the Commission taking into consideration of prescribed entry level qualification of this category and also its technical/administrative duties, recommends to it a pay scale of Rs.23100-67990, corresponding to Rs.11860-34050, thus improved by two stages.

(Govt. Junior Colleges & Aided Junior Colleges)
 No. of Posts : 12264

It is represented that injustice was done to this category in earlier revisions. The general points made out that plus (+) 2 level education system is a crucial stage which students have to pass through and the teacher has to employ very high degree of skills, knowledge and expertise to mould the students who are at a formative and impressionistic stage. The qualifications, duties and responsibilities entrusted to the teaching category of Intermediate Education are equal to those of Assistant Lecturers and Senior Lecturers in Degree colleges. It is requested to assign a higher pay scale of Rs.19050-45850 on par with Junior Lecturers of Residential Junior Colleges duly indicating the fact that this category is meager promotion channels. Another request is for a pay scale of Rs.19050-45850 on par with Lecturers of Polytechnic.

Keeping in view of its duties and responsibilities, the Commission assigns a pay scale of Rs.37100-91450 corresponding to Rs.19050-45850 to the category of Junior Lecturer of Government Junior colleges/ Private Aided Junior Colleges, thus improved by one stage. However, these posts are categorised under common category and common category scales are made applicable. These posts are to be treated as a special category as under any revenue collection department like Commercial Tax Department etc., and it is also stated that the collection of electricity duty in the State of Rajasthan is being done by Commercial Tax Department. - 1. Watchman, /Mali (Labour)/ : Rs.6700-20110**
Gardner/Malan
No. of posts : 194

It is represented that in 2005 Pay Revision, this category was in the pay scale of Rs.3850-8600 on par with Animal Keeper of Nehru Zoological Park. But in 2010 revision, the above categories were assigned the lower pay scale i.e., Rs.6700-20110, whereas Animal Keeper of Nehru Zoological Park was assigned the pay scale of Rs.7520-22430. Hence, it has requested to rectify the above disparity as they were put into much financial loss from the last 5 years.

Following is progression of pay scales of this post and comparable post:

Category	1986	1993	1999	2005	2010
	(Rs.)				
Watchman, Mali (Labour)/ Gardener	740- 1150	1375- 2375	2550- 4550	3850-8600	6700-20110
Animal Keeper of Nehru Zoological Park, Hyderabad	740- 1150	1375- 2375	2550- 4550	3850-8600	7520-22430

As per service rules given by the Department, the category of Watchman, Mali (Labour)/Gardner, Malan of Nehru Zoological Park, Hyderabad is by direct recruitment and also to be filled by the District Level Notification. The Commission clearly observed that the duties and responsibilities of Animal Keeper in Nehru Zoological Park were more risky in nature, when compared to the above categories.

In view of the above position, the commission is convinced that the existing pay scale of this category is adequate and accordingly assigns a pay scale of Rs.13000-40270, corresponding to Rs.6700-20110.

- 2. Assistant Beat Officer : Rs.7520-22430**

The following is progression of pay scales of this post and comparable post:

Category	1986	1993	1999	2005	2010	Feeder category	Promotion category
	(Rs.)						
Assistant Beat Officer	780-1275	1475-2675 (C.S)	2750-5150 (C.S)	4260-9520 (one stage)	7520-22430 (C.S)	-	Forest Beat Officer (Rs.7960-23650)
Police Constable	810-1420	1595-3020 (one tage)	2990-5810 (C.S)	4825-10845 (two stages)	8440-24950 (C.S)	-	Head Constable (Rs.10900-31550)

As per service rules, this category is filled by direct recruitment and one must have passed 10th class examination and must possess physical requirements and pass walking test also, whereas Police Constable has to pass in Intermediate examination.

The Commission notices that the duties and responsibilities of this category are arduous and also risky in nature, assigns a pay scale of Rs.15030-46060, corresponding to Rs.7740-23040, thus improved by one stage. The Commission also proposes risk allowance for the categories of Assistant Beat Officer and of Forest Beat Officer respectively, since these Officers have continuously to move in the Forest areas and their duties and responsibilities are risky in nature.

	(Rs.)

Comparison with Head Constable is not appropriate, as the duties and responsibilities are extremely different. The Commission notices that duties and responsibilities of this category are arduous and risky in nature and qualification prescribed by direct recruitment for this category has been enhanced to pass in Intermediate. The Commission therefore, assigns to this category a pay scale of Rs.16400-49870 corresponding to Rs.8440-24950, thus improved by one stage.

He can correspond or file any representations except through his Superior Officers. As this category is discharging the same duties on par with Assistant Sub-Inspector of Police i.e., in detecting offences, requested for higher pay scale of Rs.11860-34050 on par with the above category.

Following is progression of pay scale of this category and comparable post:

Category	1986	1993	1999	2005	2010	Feeder category	Promotion category
	(Rs.)						
Forest Section Officer	950-1670	1875-3750 (one stage)	3550-7150 (C.S)	5200-11755 (C.S)	10020-29200 (three stages)	Forest Beat Officer (Rs.7960-23650)	Deputy Forest Range Officer (Rs.13660-38570)
Assistant Sub – Inspector of Police	1100-2050	2195-4560 (one stage)	4190-8700 (C.S)	6195-14175 (C.S)	11860-34050 (two stages)	Head Constable (Rs.10900-31550)	Sub Inspector of Police (Rs.14860-39540)

Parity with Assistant Sub Inspector of Police is not appropriate, as the duties and responsibilities are different. However, keeping in view of the duties and responsibilities and prescribed qualification of Bachelor's Degree in Botany or Forestry, the Commission assigns to this category a pay scale of Rs.21230-63010, corresponding to Rs.10900-31550, thus improved by one stage.

	(Rs.)						
Deputy Forest Range Officer	1230-2330 (one stage)	2375-5040	4550-9600 (C.S)	6675-15500 (C.S)	13660-38570 (three stages)	Forest Section Officer (Rs.10020-29200)	Forest Range Officer (Rs.15280-40510)

The Deputy Forest Range Officer has always been drawing lower pay scales than the Sub-Inspector of Police. Comparison is not justifiable, as the duties of Sub Inspector of Police are more arduous, when compare to this category. Hence, Commission considers the existing scale of pay of this category to be adequate and recommends to this category the scale of Rs.26600-77030, corresponding to Rs.13660-38570.

As per service rules, for appointment to the post of Superintendent is by promotion from the category of Senior Assistant. The category of Superintendent comes under common category.

This category represented to Pay Revision Commission 2010, seeking parity with Draughtsman Grade-I and to assign pay scale of Rs.8815-20300 on the ground that both the categories were drawing the same pay scales up to 1999 Pay Revision. The PRC did not agree with the parity, as the duties and responsibilities and qualifications were different and assigned a pay scale of Rs.14860-39540.

Comparison with Draughtsman Grade-I is not appropriate, as the duties, responsibilities, qualification and area of supervision/jurisdiction are entirely different. The Commission assigns to this category a pay scale of Rs.28940-78910, corresponding to Rs.14860-39540 on par with Superintendent under common category. As seen from the above comparative statement, this category has been drawing lesser pay scale compared to the categories of Agriculture Officer and Horticulture Officer from 1993 revision onwards.

Keeping in view of the duties and responsibilities Commission recommends to this category a pay scale of Rs.31460-84970, corresponding to Rs.16150-42590, thus improved by one stage.

In subsequent revisions, these categories were assigned lower pay scales. This category is allowed lesser pay scale of Rs.21820-48160, when compared to Assistant Secretary to Government i.e., Rs.23650-49360.

It is represented that based on the recommendations of the High Level Committee on Anti-Corruption, the Government of A.P. accorded sanction for 30 % of pay as incentive to all the officers and staff of ACB for a period of one year during the year 2003. Subsequently it was renewed up to 31.03.2010. Further it is also represented that the 9th Pay Revision Commission recommended for continuing the existing rate of 30% of the basic pay as incentive to the employees working on deputation and reduced the incentive pay to 10% to the regular employees. 20(e) TRANSLATIONS DEPARTMENT

This department attends to all translation work in the Government. In addition to Telugu and Urdu Translation sections, the department has a minority languages translation section for Hindi, Kannada, Marathi and Tamil Languages. Director of Translation is Head of the Department. The Director is assisted by six Deputy Directors, twenty Senior Translators and sixteen Junior Translators.

The general representation made on behalf of the department is that the categories in this department have not been given the pay scales commensurate with the importance of the work done by them. The work load of the department has increased considerably with the implementation of Telugu as official language, constant demand for translations from all government departments and also from subordinate offices. The translators of the department including the Director are under great stress and strain during the sessions of the Legislative Assembly when the volume of the translation work and urgency increase enormously. The department similarly attends to the time bound translation requirements for cabinet meetings, Governor's Address and other departmental purposes in the Secretariat. At the same time, due to the limited cadre strength in the department, the promotional avenues available to various categories are limited, resulting in stagnation at all levels for considerably long periods. The grievance is that notwithstanding these factors, lower pay scales were assigned to all the categories in this department including Director.

1. Junior Translator	:	Rs.11530-33200
No. of Posts	:	11

It is represented that the duties of this category and Senior Translator are one and the same i.e., Translation of matters of Ordinance, Acts, Budget Speech, Budget Demands etc. They have to translate them from English to Telugu and vice versa. The duties of Translators of Law Department, State Legislature and Information and Public Relations Department were less when compared to Translators of this department. Due to implementation of Telugu language and at the advent of RTI Act, work of the translations had increased abnormally.

The Senior Translator who is the promotion post of this category is in the pay scale of Rs.14860-39540 on par with Translators of Legislature Department, Translator Grade-1 of I&PR Department. In the instant case, this category is allowed a lower pay scale of Rs.11530-33200, whereas Translator Grade-II of I&PR Department and Asst. Translator of Legislature Department are allowed a higher pay scale of Rs.13660-38570. This category is having bleak promotion chances to the post of senior translator. Hence, the request is for assign a pay scale of Rs.13660-38570 on par with Translator Grade-II of I&PR Department and Asst. Translator of Legislature Dept.

The following is progression of pay scales of this post and comparable posts.

Category	1986	1993	1999	2005	2010	Feeder category	Promotion category
	(Rs.)						
Junior Translator in this Dept.	1150-2110	2315-4880	4430-9300	6505-15025	11530-33200	Senior Assistant (Rs.10900-31550)	Senior Translator (Rs.14860-39540)
Translator Grade-II in I&PR Dept.	1330-2630	2525-5390	5000-10600	7770-18575	13660-38570	Assistant Translator (Rs.11530-33200)	Translator Grade-I (Rs.14860-39540)
Assistant Translator in Legislature Dept.	1330-2630	2525-5390	5000-10600	7770-18575	13660-38570	Assistants (Rs.8440-24950)	Translator (Rs.14860-39540)

As per Service Rules the post of Junior Translator is filled by direct recruitment or by transfer of Senior Assistants of Translation Department, one must possess a degree or an equivalent qualification with the relevant language.

Since this category is having heavy work load and bleak promotion avenues and as this post is filled by transfer from the Senior Assistant of the same Department, the Commission assigns a pay scale of Rs.24440-71510, corresponding to Rs.12550-35800 to this category, thus benefited by two stages.

2. Deputy Director of translations : Rs.18030-38570
 No. of posts : 6

It is represented that this category is responsible for the authenticity and correctness of the translations rendered by the department. He also attends to important translation works like Budget Speech, Budget, LAOs, call attention motions, Bills, Speeches etc. Further the translation works of the Head of the Departments/ District Collectors are being entrusted to this category and Director, thus their job is very strenuous. Despite of having duties and responsibilities, their pay scales are not equated with Deputy Directors working with other Departments, like Youth Services, Information and Public Relation and Animal Husbandry Departments.

Following is progression of pay scale of this post and comparable posts.

Category	1986	1993	1999	2005	2010	Feeder category	Promotion category
	Rs.						
Deputy Director of Translations	1980-3500	3640-7580	6950-14425	10285-24200	18030-43630	Senior Translator (Rs.14860-39540)	Director (Rs.23650-49360)

Dy. Director of Information & Public Relations	2410-4050	4400-8700	8400-16525	12385-27750	21820-48160	Assistant Director (Rs.18030-43630)	Joint Director (Rs.25600-50560)
Dy. Director of Animal Husbandry Dept.	2410-4050	4400-8700	8400-16525	13390-28500	25600-50560	Assistant Director (Rs.20680-46960)	Joint Director (Rs.27000-51760)

This category is not having parity with Dy. Director of other departments. However, keeping in view of technical and strenuous nature of duties and responsibilities, the Commission assigns to it a pay scale of Rs.37100-91450, corresponding to Rs.19050-45850, thus improved by one stage.

3. Director of Translations : Rs.23650-49360
No. of posts : 6

It is represented that this category being Head of the Department, has to bear enormous responsibilities both on technical and administrative sides, has to guide the department with meticulous care and punctuality, so that the translations could reach the concerned authorities in time. With the increased use of Telugu for official purposes, the work and responsibilities have been multiplied. However, this category was assigned pay scale of Rs.23650-49360, i.e. less than the pay scale of Dy. Director of other departments. While recommending the pay scale of this category, the onerous duties and responsibilities were not taken into consideration. Hence request is to assign the pay scale of Rs.31550-53060 to this category of Translations on par with other Directors and Draughtsman of Law Department of similar responsibilities.

The following is the progression of pay scales of this category and comparable posts:

Category	1986	1993	1999	2005	2010	Feeder category	Promotion category
	(Rs.)						
Director of Translations	2410-4050	4400-8700	9000-16525	13390-28500	23650-49360	Deputy Director (Rs.18030-43630)	--

Draftsman of Law Dept.	3090-5140	6150-9820	16650-18625	18025-30765	31550-53060	Deputy Draftsman to Govt. (Rs.29200-53060)	
Deputy Draftsman of Law Dept.	2880-4930	5770-9260	10950-17575	16925-30765	29200-53060	Assistant Draftsman (Rs.23600-49360)	Draftsman (Rs.31550-53060)

As per service rules the post of Director is filled by promotion from the category of Deputy Director, one must possess a Degree with Telugu as one of the subjects or by recruitment by transfer from any other services holding identical/similar posts. If no suitable and qualified persons are available in above two methods, by direct recruitment for which one must possess M.A. Degree in Telugu and must have experience in Translation work in Telugu atleast for a period of 5 years in a Govt., Institutions.

As seen from the above, this category is not having parity with comparable posts. However, keeping in view of technical and strenuous nature of duties and responsibilities and its position as the Head of the Translation Department. The Commission assigns to it pay scale of Rs.52590-103290, corresponding to Rs.27000-51760, thus improved by two stages,

It is stated that Liaison Officer and Protocol Officer of A.P. Bhavan are in the pay scale of Rs.16150-42590, whereas the Administrative Officer is in the pay scale is Rs.15280-40510. The said posts are feeder categories to the post of Asst. Commissioner. Due to differentiation in pay scales of the above feeder category posts, it is very difficult for the Administrative Officer to get promotion to the post of Asst. Commissioner. It is requested to assign a pay scale of Rs.16150-42590 to this category on par with Liaison Officer and Protocol Officer O/o. the Resident Commissioner, A.P. Bhavan, New Delhi.

The following is the progression of pay scales of this category and comparable post:

Category	1986	1993	1999	2005	2010	Feeder category	Promotion category
	Rs.						
Administrative Officer (Formerly Superintendent)	1330-2630	2600-5580	5000-10600	8815-20300	15280-40510 (EIP)/ 14860-39540 (FE)	Asst. Reception Officers/ Assistant Liaison Officers (Rs.13660-38570)	Assistant Commissioner (Rs.18030-43630)
Protocol Officer	---	----	5980-12100	9285-21550	16150-42590	Asst. Reception Officers/ Assistant Liaison Officers (Rs.13660-38570)	Assistant Commissioner (Rs.18030-43630)

It is submitted that one vacant post of Assistant Commissioner has been downgraded to that of Administrative Officer in the pay scales of Rs.8815-20300 during the year 2007.

The above category represented to PRC 2010, seeking parity with Assistant Accounts Officer and Protocol Officer. The PRC did not agree. The pay of the existing incumbent is

protected by allowing the pay scale of Rs.15280-40510 corresponding to the pay scale of Rs.8815-20300.

The Commission notices that the above category and Liaison Officer/Reception Officer/Protocol Officer form feeder categories to the category of Assistant Commissioner. Hence the Commission assigns a pay scale of Rs.31460-84970, corresponding to Rs.16150-40510 to this category, benefited by one stage.

Keeping in view of pay scale of feeder category of Protocol Officer/Resident Officer/Liaison Officer and Administrative Officer i.e., Rs.16150-42590, the Commission assigns a pay scale of Rs.37100-91450, corresponding to Rs.19050-45850 to this category, thus benefited by one stage.

5. Electrician : Rs.10900-31550
(but not in pay scale of Rs.11530-33200)

It is stated that this category was recommended a pay scale of Rs.9285-21550 by the Anomalies Committee 2008, but the same was not agreed by the Government. If the above recommendations were accepted by the Government, the category might have been assigned a pay scale of Rs.16150-42590 in 2010 revision on par with Administrative Officer, AAOs and others. Hence request is for a higher pay scale of Rs.18030-43630.

The progression of pay scales assigned to this category and comparable categories in the earlier revisions are as follows:

Category	1986	1993	1999	2005	2010	Feeder Category	Promotion Category

The pay scales given to these categories in the earlier revisions are as follows:

But the scales are fixed with Executive Engineer (Civil or EM), whose responsibilities not equal with a Principal/Professor, Government College of Nursing. The Chief Dietician pay scale is more than this category. Hence the request is to assign higher pay scale of Rs.27000-51760.

The following is progression of pay scales assigned to this category.

Category	1986	1993	1999	2005	2010	Feeder Category	Promotion Category

As per service rules, this category is filled by direct recruitment or by transfer from the APMS or A.P. Medical Subordinate service rules or A.P.P.H. sub-ordinate service. One must possess a B.Sc., Degree (with Chemistry). The category forms feeder category to the post of Non-Medical Assistant (Non-Gazetted). The duties of this category are clinical, investigation, special analysis of blood and other samples in Micro-Biology and Bio-Chemistry besides teaching work.

In view of the above, the Commission notices that the existing pay scale of this category is adequate and assigns to it a pay scale of Rs.22460-66330, corresponding to Rs.11530-33200.

32. Non-Medical Assistant : Rs.12910-36700
(Non Gazetted)
No. of Posts :

It is stated that the disparities among the 9 posts (cadre strength) of Non-Medical Assistant (Non-Gazetted) and certain similarities of these posts with the next promotional post i.e., Non-Medical Assistant (Gazetted).

There are two categories of NMA as per G.O.Ms.565, dt:27-08-1979.

1. NMA to the Professor of Biochemistry (4 posts)
2. NMA to the Professor of Bacteriology (3 posts)
3. NMA to the Professor of Pharmacology (2 posts not specified in G.O.Ms.No.565, M&H Dept., dated.27.08.1979).

Presently these posts are being treated as Non-Medical Assistant (Non-Gazetted). They might have been treated so after the creation of Non-Medical Assistant (Gazetted) posts.

Post	Eligibility for direct recruitment OR Recruitment by transfer
NMA to the professor of Biochemistry	M.Sc., Biochemistry or Chemistry or B.Sc., (Hons) in Biochemistry. Note: The above qualification is not necessary in case of Non-Medical Demonstrator (NMD) who put 5 years of service in the Dept., of Biochemistry (Qualification for NMD post in B.Sc., in Chemistry vide G.O.886)
NMA to the professor of Bacteriology	M.Sc., Chemistry or B.Sc., (Hons) in Chemistry

According to the service rules, appointment to this category is by transfer of Non-Medical Demonstrator and if no qualified and suitable person available then by transfer from any other class or category or by direct recruitment. The minimum qualification is M.Sc., with first or second class in Bio-chemistry. One more post of NMA (NG) which is not specified by any rules but appointed by any of the above two methods.

As per G.O.Ms.No.154, HM&FW Department, dated.04.05.2002, the eligibility criteria and previous experience of the feeder cadres i.e., NMA (NG) for NMA (Gaz) post are not taken into consideration. So there is no clarity in respect of the eligibility for both lower and higher posts NMA(NG) and NMA(G) respectively.

It is clearly understood that there are discrepancies among the 9 posts NMA (Non-Gazetted) and similarities of these posts with NMA (Gazetted).

The duties and responsibilities of these posts are identical and related to the chemistry subject in the laboratories attached to the concerned department. It is also included teaching the principles of clinical chemistry to medical students and also paramedical students and ensuring arrangements required for practical laboratory.

It is further stated that in the laboratory of chemicals, certain chemicals are very strong and corrosive. As they are chemists, must handle the chemicals very carefully and also ensure the careful handling of the chemicals by the staff and students and faculty also by personal supervision and making them aware of such dangerous chemicals.

In view of the above, request is to upgrade the cadre of NMA(Non-Gaz) and merge with its higher cadre NMA(Gazetted) or to propose the pay scale of Rs.16150-42590 and Gazetted status with new nomenclature of this cadre as Research Assistant or Senior Chemist.

The pay scales given to these categories in the earlier revisions are as follows:

Category	1986	1993	1999	2005	2010	Feeder Category	Promotion Category
	(Rs.)

The minimum qualification is M.Sc., (Bio Chemistry) in first or second class.

The Commission notices that this category along with Junior Analyst and Head Nurse forms feeder category to the post of NMA (Gazetted).

Keeping in view of the qualifications, duties and responsibilities, the Commission recommends the pay scale of Rs.28940-78910 to this category corresponding to Rs.14860-39540, thus improved by two stages.

It is stated that the Nurses after completion of basic qualification preferably in science group, though having opportunity to opt for Medicine, opt for this profession with passion and dedication. The professional course carries Conventional Course including theatre training for a period of 3½ years to 4 years. After completion of course, Nurses are further scrutinized by common entrance examination followed by Viva.

It is further stated that the job of Nurse is purely professional and they have to attend duty in emergency and acute conditions. The Nurses are not privileged to enjoy National or Public Holidays and are forced to work in emergency situations such as bundh, dharnas, strikes and natural disasters. Since Nurses fall under skilled workers, they are bound to work overtime in case of absenteeism of next charge Nurse and also are overburdened with work. As per the recommendation of the Indian Nursing Council Nurse Patient Ratio should be maintained as 1:1 in critical areas and 1:3 in general wards, but it is pathetic that nurses are forced to work with a ratio of 1:60. Most of the times patients are solely depended on nurses pertaining to care and Nurses are the only cadre who are in touch with patients round the clock for 365 days and play a pivotal role in patient's recovery. Further stated that this category is not having any promotional avenues upto 28 or 29 years of service.

The qualifications prescribed for direct recruitment is B.Sc., (Nursing) of any University.

This category represented to 2010 revision, seeking parity with Ophthalmic Assistant and Health Educator (General). The Commission did not agree and assigned a pay scale of Rs.12910-36700 (benefited by two stages).

The Commission notices that the existing scale of this category is adequate. Keeping in view of the duties and responsibilities, the Commission assigns to it a pay scale of Rs.25140-73270 corresponding to Rs.12910-36700.

It is stated that the teaching cadres are separated from Non-Teaching Cadres prescribing Post Graduate qualification in Ayurvedic Medicine i.e. M.D. (Ayurveda) as compulsory for all teaching posts as per the guidelines and regulations of Central Council of Indian Medicine (C.C.I.M) which is an equivalent Governing Body to Medical Council India (M.C.I) in Allopathy system. To this effect Revised Andhra Pradesh Medical Service Rules are issued vide G.O.Ms.No.67, Health, Medical and Family Welfare (I.2) Department, dated.14th March 2005, superseding earlier Service Rules vide G.O.Ms.No.265, HM&FW (I.2) Department, dated.26.05.1994. In the old rules a degree in Ayurveda i.e. B.A., M.S., is prescribed as minimum qualification for both teaching and non-teaching posts in Ayurveda and both are inter transferrable. As per the revised Service Rules, not only Post Graduate qualification but also requisite teaching experience is prescribed to all teaching posts of Ayurveda as

per by C.C.I.M. These Govt., Ayurvedic Teachers work in not only 14 specialities/departments in under Graduate course i.e. B.A.M.S., but also in various specialities of Post Graduate courses in M.D (Ayurveda). Thus a parity of structure in teaching faculty of Ayurveda is evolved on par with the teaching faculty of Allopathy.

Government issued G.O.Ms.No.816, H.M & F.W.(A2) Department, dated.02.11.2006, extending U.G.C scales to teaching faculty in Government Medical Colleges and Dental Colleges of the State in Medical & Health Department. The Central Council of Indian Medicine is also insisting all the managements of the Ayurvedic Medical Colleges to extend U.G.C. scales to the Teaching Faculty of Ayurvedic Medical Colleges as a part of its policy for teaching faculty. In view of the above, request is for assigning higher pay scales on par with Allopathy Doctors and also request to recommend U.G.C. pay scales on par with Teaching faculty of Allopathy.

The request of teaching faculty of AYUSH Department for assigning U.G.C. pay scales, extension of U.G.C. pay scales to the Doctors working in the AYUSH Department does not come within the purview of the Commission.

According to service rules the Medical Officer (Ayurveda, Unani and Homeo) post is filled by direct recruitment. The qualifications prescribed for direct recruitment is that one must have a Degree in Ayurveda/Unani/Homeopathy awarded by N.T.R. Health University.

Comparison with Medical Officers of Allopathy may not be appropriate, though there is lot of similarity in the duration of Degree and Post Graduate courses and the subjects studied in both allopathic and Indian medicine systems. In allopathic system, doctors have to attend to emergencies and work under constant pressure of surgical interventions. However to encourage Indian Medicine System in the State and keeping in view of the qualifications, duties and responsibilities and to maintain relative parities in different Departments, the Commission assigns the following pay scale to the following categories:
